of the I. L. U. Grand Lodge tecting banner.

The I. L. U. Grand Lodge was established May 1, 1902, and since then has started over 449 Subordinate I. L. U. lodges and initiated over 41,142 I. L. U. members; it has also accepted over 649 I. L. U. Members. It has also accepted over 649 I. L. U. Members-At-Large, who are attached to the I. L. U. Grand Lodge roster.

This Order holds a legal International Charter from Ohio, which grants it the power to aid and protect all Laboring People, gives it legal standing in the courts and guarantees honest deallings with all people because of state supervision.

The Grand Lodge and each Subordinate Lodge does everything within their power to advance the conditions of the negro laboring men and women; they teach them to be true, honest and faithful; to be law abiding citizens; to do their work better and quicker; to secure better pay for what they do and to shorten their hours of toil so all our people can obtain a share of the laboring work to be done, with enough pay to support themselves and families as becomes good citizens of toil; and to secure for each member the right to learn a trade and work at it for equal pay with other workmen, no matter what race or color they may be.

There is no color, race or sex discrimination under the banner of the I. L. U. The negro has an equal standing with all other members, and is eligible for election to any office in the Grand Lodge or Subordinate Lodges.

Members of the I. L. U. are not allowed to suffer from want, for they are voluntarily

assisted when in distress. For instance, when a member dies it is customary for the Grand Lodge to give \$100.00 to help out on the expense. After January 1st, 1908, it is proposed that the Grand Lodge give \$25.00 to each male member when his wife dies, also the same to each female member when her husband dies; to give \$5.00 when a member's child between 3 and 10 years of age dies and \$10.00 when one over 10 years old passes away. In addition to this nearly every I. L. U. Subordinate Lodge maintains a sick and accident fund, out of which they give each member from \$3.00 to \$5.00 per week when sick or disabled. The I. L. U. Grand Lodge does not boast about what it does in voluntarily assisting distressed members, but the I. L. U. members unite in saying that they are projected better under the I. L. U. Grand Lodge than in many other Orders who promise big things and do little.

Membership Book will be recognized and accepted by any I. L. U. Subordinate Lodge in the world. Each I. L. U. member has the privilege of buying I. L. U. Grand Lodge Stock from \$1.00 up to \$100.00, which pays 8 per cent interest (or more); hence all profits made from the Publishing and Home Office business go right back in cash dividends to the members who own stock. Any honorable negro man or woman who lives where no I. L. U. Subordinate Lodge is now established, can join the I. L. U. Grand Lodge and thus enjoy all these benefits.
